

Introduction for Michelle Tillis Lederman
(pronounced the same as David Letterman)

I am excited to introduce our speaker today, Michelle Tillis Lederman.

Michelle is known for helping people work better together and advance their individual impact. Named one of Forbes Top 25 Networking Experts, she empowers people to create and nurture real relationships for real results.

She is the author of several books including the internationally recognized **The 11 Laws of Likability** and her latest **The Connectors Advantage**. Her books have been translated into 10 languages and used by universities, fortune 500, and associations all over the world.

A regular in the media on leadership and workplace effectiveness, Michelle has appeared on CBS, NBC, NPR, the NY Times, the Wall Street Journal, Working Mother, and Forbes among others.

Michelle's mission is to elevate how we communicate and connect... and that is what today is all about. Let's see if we can match her energy with a warm welcome for our speaker, Michelle Tillis Lederman.
