Presentation Coaching

Public speaking skills are essential as you elevate in your career. Leaders must have the ability to deliver clear, engaging and influential communications. Presentation coaching takes you through development of the storyline, crafting of each slide's messaging, through the verbal, vocal and visual delivery elements.

Virtual Coaching:

Get clear on your presentation intent and analyze your audience. Develop the storyline and design the slide messaging.

In Person Coaching:

Spend the day with Michelle honing your verbal, vocal and visual delivery for your greatest impact and influence.
